

AMEER HAMZA

Web Developer

ameerhamzaarain22@gmail.com | +923350022009 | Hyderabad

PROFILE

Passionate and detail-oriented Web Developer with a strong focus on building responsive, user-friendly, and performance-driven websites. Skilled in front-end and back-end development with hands-on experience in modern technologies. A quick learner and proactive problem-solver who thrives in collaborative environments and stays current with emerging web trends.

EXPERIENCE

Web Developer Intern | Logical Technologist - Hyderabad, Sindh, Pakistan 07/2025 – Current

Collaborated with team members to troubleshoot and resolve coding issues.

Worked on multiple production-level projects including:

School Management System: Designed and developed for managing students, fee and certificates.

ID Card System: Created a program to generate employee ID cards and transcripts for company staff.

Clinic Management System: Developed an online doctor appointment and patient booking system with a user-friendly interface.

Collaborated in team meetings to plan project modules and discuss new feature enhancements.
